12-DAY ITINERARY

DEPARTING

Saturday, September 4, 2027

NEWARK, NEW JERSEY

Depart: TBD

Newark Liberty International Airport

* check in is three (3) hours before flight departs

DAY 1

DEPARTURE - U.S.A.

We depart the U.S.A. for our flight to Tel Aviv.

DAY 2

FLIGHT INTO TEL AVIV

Shalom! We arrive in Tel Aviv in the afternoon. Proceed to our hotel in Tel Aviv located on the shore of the Mediterranean Sea. After dinner, the evening will be free for you to stroll along the Mediterranean beach or explore Tel Aviv.

DAY 3

OLD JAFFA & TEL AVIV

We will begin our tour of Israel by going first to the ancient port of Jaffa, located just south of modern day Tel Aviv. (Keep in mind that Tel Aviv was not established until the 20th Century.) Jaffa is the port from which the prophet Jonah began his ill-fated voyage. We will stroll through the old city, visiting the traditional site where Peter received the vision that called him to preach to the Gentiles. We will then do a bus tour of Tel Aviv, including a walk through the Carmel Market. The group will then be re-leased to walk down Dizengoff Street, the main shopping area of Tel Aviv. You will be free to select a cafe of your choice for lunch. After lunch we will regather to continue our tour of Tel Aviv. We will visit a bookstore and meeting place in central Tel Aviv that is run by Messianic Jews, and we will likely have a worship service there. We will then proceed to Independence Hall where the Israeli Declaration of Independence was read by David ben Gurion on May 14, 1948. We will complete the day with a visit to the Israeli Mint where you can shop for commemorative medals. We may also try to visit an immigrant relocation center. We will try to get back to the hotel a little early so that you can do some swimming in either the hotel pool or the Mediterranean Sea. Overnight in Tel Aviv.

DAY 4

TEL AVIV TO TIBERIAS ON THE SEA OF GALILEE

We will begin our day at the excavations of Caesarea Maritime, the Roman capital in the time of Christ. This is the city where the first Gentile, Cornelius, accepted the Lord. It is also the place where Paul spent two years in prison. Here we will see the Roman amphitheater, the port constructed by King Herod, and the remarkable Roman aqueduct. We will continue north along the Mediterranean coast to Mt. Carmel where we will visit the site of Elijah's triumph over the prophets of Baal. From this vantage point we will also be able to get a panoramic view of the Valley of Armageddon. We will next proceed to Haifa for a breathtaking view of the city and the harbor. After lunch in Haifa, we will continue north almost to the Lebanese border where we will tour the Crusader city of Akko. The most important edifice in the town is the Hall of the Knights Hospitallers, one of the finest examples of Crusader architecture still in existence. From Akko we will head for our hotel in Tiberias on the western shore of the Sea of Galilee. Overnight in Tiberias.

DAY 5

GALILEE AREA

This will be a day of worship services at sites that were important in the life of Jesus. We will begin the day with a devotional service at the Hill of the Beatitudes. We will then proceed to the site of the city of Khorazin where there are the remains of a First Century synagogue where Jesus frequently ministered. We will conduct another devotional there which will center on the healing ministry of Jesus. Our next stop will be Capernaum, the town that served as the headquarters for Jesus' ministry. If possible (depending on the crowds), we will conduct our third devotional of the day at this site. We will next visit the Church of St. Peter at Tabgha, a small church located right on the seashore. We will have a devotional here that will focus on Jesus' post-resurrection appearance to the Disciples while they were fishing. We will then take a cruise back to Tiberias, stopping the boat in the middle of the sea to conduct a devotional about Peter's brief walk on the water. After a lunch of St. Peter fish, we will drive to the southern end of the Sea of Galilee to visit one of the oldest kibbutzim in Israel, Kibbutz Deganya, where Moshe Dayan was born and raised. We will conclude the day with a visit to the Christian baptismal site on the Jordan River, just south of the Sea of Galilee. We will conduct a baptismal service for those who desire to be baptized in the Jordan as a witness of their faith. Overnight in Tiberias.

DAY 6

NORTHERN ISRAEL AND THE GOLAN HEIGHTS

We will start out early to venture toward the Lebanese border. We'll visit Mt Adir — overlooking a battle site from the 2006 war. Once a relatively stable northern border, Lebanon became increasingly turbulent as it fell under the sway of Iran. Paramilitary terrorist groups were emboldened to serve as proxy antagonists for the radicalized Iranian state. Over the years, Israel has been subjected to near-constant probes and attacks from Hezbollah, which has periodically erupted into full-scale conflict. If time allows, we will also visit the crusader fortress at Acco — where ostensibly Christian Crusaders maintained a presence in the Holy Land during the Middle Ages. Although they came to free the holy sites from the Muslims who had claimed ownership, these often-violent conquerors were horribly anti-Semitic as well, slaughtering Jews as well as Muslims. They certainly did not provide an accurate representation of a true disciple of Christ. We will visit the site near Haifa where Napoleon was defeated during his attempt to conquer the Holy Land. From there, we'll return to the Sea of Galilee. We'll pass by the Horns of Hattin, where Saladin's Sunni Muslim forces soundly defeated the Crusaders and solidified Muslim control of the land of Israel for hundreds of years. Next, we'll drive to the southern end of the Sea of Galilee to visit one of the oldest kibbutzim in Israel, Kibbutz Deganya, where Moshe Dayan was born and raised (and where a Syrian tank came to a rest after one modern battle). We will conclude the day with a visit to the Christian baptismal site on the Jordan River, just south of the Sea of Galilee. Those who want to profess their faith in Christ can publicly demonstrate the victory He offers as they participate in a baptism at the Jordan River. Overnight in Tiberias.

All dates & locations subject to change, pending unforeseen circumstances.

12-DAY ITINERARY (continued)

DAY 7

TRAVEL THROUGH CENTRAL ISRAEL TO JERUSALEM

We will begin making our way south early this morning toward Jerusalem. We'll visit Mount Tabor — the site where Deborah took charge of the army of Israel when Barak hesitated. Under her leadership, the Canaanite army under Sisera was defeated. Mount Tabor is also the traditional location of the Transfiguration, where Jesus' glory was revealed to his disciples. They walked beside Him every day and recognized the significance of His mission and even His rightful claim as Messiah. Still, they had not grasped prior to that moment the overwhelming glory of His nature as the Son of God. Even then, they mistakenly presumed to equate the revered Old Testament saints who appeared with Him. We will take the opportunity to magnify the One who commands the armies of heaven. We'll also stop to walk through the incredible excavations at Beit Shean. This is the city where the body of King Saul was nailed to the walls. It is the largest excavation in the land of Israel. We will have a few other surprises this day as we follow the course of the Jordan River south toward Jericho. We will conclude the day by making our ascent to the city of Jerusalem, "the city of the Great King!" (Psalm 48:2). Overnight in Jerusalem.

DAY 8

JERUSALEM - OLD CITY AND NEW

We will start this day in and around the Holy City itself. Our first site will be the Tomb of Samuel. Also known as the Vista of Gibeon, this is where the sun stood still as Joshua and the children of Israel fought the armies of five pagan kings. In answer to Joshua's prayer, the Lord caused the sun to stand still "for about a whole day" — giving them time to defeat their enemies. More accurately, as Joshua 10:14 records, "the LORD fought for Israel." We'll then proceed to Radar Hill and the Samuel Overlook — a commanding view of Jerusalem where recent battles have been waged. Next, we will go to Ammunition Hill. A desperate battle raged here between soldiers of the IDF and dug-in Jordanian forces in 1967. Deemed a critical tactical position during the Six Day War, it has now been considered a tragic victory. At the end of the day, we'll go to the Lions Gate and follow the path of the IDF paratroopers who retook the Old City of Jerusalem in 1967, ending up at the Western Wall. If time permits, we will also visit the Pool of Bethesda and the Crusader Church of St. Anne, as well as the Holy Sepulcher (the traditional Catholic site of the crucifixion and burial of Jesus). Along the way, we'll stop in at the Convent of the Sisters of Zion where the pavement floor is located that served as the foundation of the Antonia Fortress. This is the place where Pilate judged Jesus and the soldiers scourged Him. On the way back to the hotel, we'll visit Mt. Herzl military cemetery. Overnight in Jerusalem.

DAY 9

NORTH AND WEST OF JERUSALEM

We will head back out of Jerusalem itself this morning to travel to the Elah Valley — the site of the battle between David and Goliath. We'll also visit Tel Lachish along the western ascent road to Jerusalem, where King Sennacherib of Assyria began his approach toward Jerusalem. Using bloodthirsty tactics and psychological warfare, Sennacherib attempted to defeat Hezekiah. Once again, the LORD fought for Israel—utterly devastating the army of Assyria.

DAY 9 continued

We will continue up the road past Latrun (and the so-called "Burman Road") where hostile Arab villages repeatedly repulsed and annihilated the armored convoys trekking toward the besieged Jewish quarters of Jerusalem in 1947 and 48. We will spend extra time at the IDF Armor Corps Museum in Latrun. Since we will have left the city for part of this day, we will mark our "second coming" back to the city by stopping at the Mount of Olives. Not only will this offer a beautiful panoramic view of Jerusalem, but it will also allow us to conduct a devotional focusing on the Second Coming of Jesus. If time permits, we'll then stroll down to a lovely chapel called Dominus Flevit before returning to our hotel. This chapel marks the traditional site where Jesus wept over the city of Jerusalem. Overnight in Jerusalem.

DAY 10

SOUTH OF JERUSALEM (JUDEA AND THE NEGEV)

We will start out early to go to Gush Etzion, a collection of Jewish outposts that saw intense fighting in the War of Independence. These were some of the original Moshevs (Jewish collective farms) that drew immigrants from Europe before and after World War II. Increasing Arab hostility leading up to 1948 made them dangerous places to live. The day before David Ben Gurion declared independence, Arab forces under the control of the Jordanian Arab Legion captured Kfar Etzion and killed every inhabitant except 3 men and a woman. That outrage became emblematic of the ferocity of the battles that would follow. We will then travel farther into the desolate south of Israel—the Negev. There we will visit Beer Sheva and the IAF Museum. Highlighting the dedication of Israel's air force, this will offer insight to many of the battles that have waged in the air over the past 70 years—including Operation Moked, the daring opening battle to the Six Day War in 1967. Overnight in Jerusalem.

DAY 11

JERUSALEM

This will be a very special day as we begin at the Friends of Zion Museum. This is a new and amazingly high-tech presentation on some of the heroes who have stood with Israel. If you don't go to Israel as a committed advocate already, this site will convince you to join the other followers of God's Word who have determined to bless Israel. We will then go to the Garden of Gethsemane, where Jesus anticipated His great battle with Satan at the Cross. You can almost feel His anguish as we ponder His great sacrifice among olive trees that may spring from the very roots that bore fruit 2,000 years ago. The final site on our pilgrimage will be the Garden Tomb. It was here (or a spot literally within yards of this representative site) where Jesus was buried. On the third day, He manifested His authority and power by defeating Death itself. We will conclude our time together here with a worship and communion service. Time allowing, you will then be free to visit any site in or near Jerusalem during a "free afternoon." Overnight Jerusalem.
